

# GRCTM Middle School Mathematics Field Day

Tuesday, October 13th, 2009  
8:00 am - 2:00 pm

- Where:** The University of Richmond. Exact Location, directions, and map will be provided with your confirmation packet.
- Program Description:** The Program will include individual and group competitive activities. Each student will have the opportunity to participate in two sessions where hands-on activities will be conducted by area teachers and professionals.
- Participants:** Participants should include one boy and one girl (not taking algebra), each from sixth and seventh grades, (four students in all) and one teacher per school.
- Cost:** Registration fee: \$45 per school (payable to the GRCTM). Participants and teachers will receive lunch.
- Contact:** Carrie Persing at [cpersing@msinnovation.info](mailto:cpersing@msinnovation.info)  
MathScience Innovation Center  
804-343-6525 x279
- Registration:** Space is limited. Please RSVP to Carrie Persing by September 18, 2009 to reserve your spot for this exciting Mathematics Field Day at the University of Richmond. Payments are due by September 30, 2009.
